

# Photek, Six Feet Under Soundtrack

well, well  
prodigal return,  
it's what you've been running away from your whole life, buddy-o  
you thought you could scape,  
well guess what:  
nobody scapes.

well, well  
prodigal return,  
it's what you've been running away from your whole life, buddy-o  
it scare the crap out of you... (unclear part)  
and you thought you could scape,  
well guess what:  
nobody scapes (nobody scapes)
