

Picture House, Do't Believe Me

(browne)

Corners round off the edges
Of my broken heart
Borders, close off the edges
Of my mind
Won't you be my love
Every time I see that
Look in your eyes
Be my life
It's only then that I realise
Be my home

Don't believe me
When I tell you goodbye
Whatever I might say
Don't believe me

Slow down
What hurry are you in anyway
I wonder now
There's nothing
Nothing I won't do to keep you here

So won't you be my love
