

Pilot Speed, Alright

{{Song|Into the West (2006)|Pilot Speed|star=Green}}

</lyrics>

Tonight I lack the strength to even move
When you walked, now watch me die
For I know this is harder for you
For love has let you down

Yeah c'mon

I am not alone

And the road ahead is lined with broken dreams
So walk, you walk on by
And I failed to give you everything you need
For the fears behind your eyes

When I can't feel you
I'm not alright, I'm not alright
When I can't heal you
I'm not alright, I'm not alright

When I can't feel you
I'm not...
Alright

Jesus, as you throw me on the rocks
For love I left your side
'Cause I believed in love and beauty's wiles
Where heaven shone forth from her eyes

Chained to your tree
I wanted you to say
I wanted you to say
I wanted to believe
Chained to your tree
I wanted you to say
I wanted you to say

Tell me that it wasn't all for naught,
It's such a waste now
It's such a waste now c'mon
I know you're scared but baby don't you hide,
It's such a waste,
You'll stand alone now
You'll make it somehow
