

# Pinhead Gunpowder, Porch Song

I don't wanna write  
I just wanna drink all night  
HEY! HEY! another day starts a new  
Waste half of the that one too  
On the porch with Paddy  
HEY! HEY! sleep right through  
Then sit at my desk - yeah right  
Drink all night again

Oh.. oh.. on the porch with Paddy  
Oh.. oh.. oh.. oh.. oh... on the porch with Paddy
