

# Pink Cream 69, Ballerina

Once I saw your picture after I was gone  
Forgotten colors of the world where you're on  
Misery was all around, but you did not see  
You're living your life inside a dream

Ballerina, I hear you cryin'  
Ain't got nobody, ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got no wishes, just got one desire

I saw you dancin' in a road with no end  
Dreams of tomorrow, but a child in your hand  
Agony was all around, but you did not see  
You're just a part of misery

Ballerina, I hear you cryin'  
Ain't got nobody, ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got no wishes, just got one desire

Ballerina  
Ballerina, dance your dreams  
Ballerina, dance your dreams

Oh oh oh...

Ballerina, look around  
Misery is all around  
Ballerina, look around  
And see...

Ballerina, I hear you cryin'  
Ain't got nobody, ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got no wishes, just got one desire

Ballerina, dancin' with fire  
Ain't got nobody...

Ballerina  
Ballerina, dance your dreams  
Ballerina, dance your dreams
