

Pink Cream 69, Fate

Take a look at me, I'm getting higher
Feeling kind of free, feed my desire
Running with the devil, I don't regret it
Logging for the time, when I finally get it

How many days before I meet my fate?
How many times can I get away?

Jump into the wind, it's numbing my senses
Will there be an end? Am I defenseless?
Maybe I'm a drifter, or am I assuming?
How could I forget that I'm only human

How many days before I meet my fate?
How many times can I get away?
Could it be wrong when it feels so right?
How many times until I reach my...?
How many days until I meet my...

Fate - what's gotten into you?
Take - what it's got to give you!
Break - all the rules that limit you!
Save - all the fuel that's driving you!

Something to help me
Cause I want it, I need it

Hey look at me, I'm alive
Take a look at me
Take a look at me
Hey look at me, I'm alive
Feeling kind of free
Feeling kind of free
Hey look at me, I'm alive
Take a look at me
Take a look at me
Hey look at me, I'm alive

Fate - what's gotten into you?

Break - all the rules that limit you!
Save - all the fuel that's driving you!

So I'm playing with fire
And I don't care if I burn
