Pink Cream 69, Livin' My Life For You

Oh yeah, yeah... Oh ooh...

Don't keep me waitin'
No need to cool down now
My mind's gettin' happy
You drive me nuts somehow

Yeah...

Look in my eyes There ain't no lies Every word I say is true

Yeah, yeah, yeah...

Every night, every day, all the time I'm just livin' my life for you (I'm livin' my life for you) I would die for you and I don't lie I'm just livin' my life for you (I'm livin' my life for you)

I'm livin' my life for you I'm livin' my life for you

Life is so easy With just a drink or two Burn all my money There's nothing else to do

Oh oh oh...

I'm on the lose I need the juice Kill the pain that's in my brain

Yeah, yeah, yeah...

Every night, every day, all the time I'm just livin' my life for you (I'm livin' my life for you) I would die for you and I don't lie I'm just livin' my life for you (I'm livin' my life for you)

I'm livin' my life for you I'm livin' my life for you

Oh yeah, yeah...

Yeah, yeah, yeah...

Every night, every day, all the time I'm just livin' my life for you (I'm livin' my life for you) I would die for you and I don't lie I'm just livin' my life for you (I'm livin' my life for you)

Every night, every day
Oh (I'm livin' my life for you)
Every night, every day
Oh (I'm livin' my life for you)

Every night, every day Oh (I'm livin' my life for you)
