

Pink Cream 69, Losing My Faith

The day breaks, my mind aches
Fighting with my destiny
Emotion, confusion
Driving me to misery

I found out, there's something
That I've never had before
Religion, devotion
Help me fight this hopeless war

Should I stand before the alter?
Should I walk the beaten path?
If I leave before I falter
Should I make the moment last?

Before I lose my faith

Dismayal, betrayal
Running deep inside of me
I'm kneeling and praying
For the sign that sets me free

I listened your wisdom
Taught me things I never knew
I'm blinded by darkness
And I don't know what to do

Should I stand before the alter?
Should I walk the beaten path?
If I leave before I falter
Should I make the moment last?

Should I stand before the alter?
Should I walk the beaten path?
If I leave before I falter
Should I make the moment last?

Before I lose my faith
Losing my faith
Before I lose my faith
Losing my faith

Should I stand before the alter?
Should I walk the beaten path?
If I leave before I falter
Should I make the moment last?

Should I stand before the alter?
Should I walk the beaten path?
If I leave before I falter
Should I make the moment last?

Before I lose my faith
Losing my faith
Before I lose my faith
Losing my faith

Before I lose my faith
Losing my faith
Before I lose my faith
I'm losing my faith
