Pink Floyd, Poles Apart

Did you know...it was all going to go so wrong for you
And did you see it was all going to be so right for me
Why did we tell you then
You were always the golden boy then
And that you'd never lose that light in your eyes

Hey you...did you realize what you'd become
And did you see that it wasn't only me you were running from
Did you know all the time but it never bothered you anyway
Leading the blind while I stared out the steel in your eyes

The rain fell slow, down on all the roofs of uncertainty
I thought of you and the years and all the sadness fell away from me
And did you know...
I never thought that you'd lose the light in your eyes
