Pink, Nobody Knows

Nobody knows Nobody knows but me That I sometimes cry If I could pretend that I'm asleep When my tears start to fall I peek out from behind these walls I think nobody knows Nobody knows no

Nobody likes Nobody likes to lose their inner voice The one I used to hear before my life Made a choice But I think nobody knows No no Nobody knows No

Baby

Oh the secret's safe with me There's nowhere else in the world that I could ever be And baby don't it feel like I'm all alone Who's gonna be there after the last angel has flown And I've lost my way back home I think nobody knows no I said nobody knows Nobody cares

It's win or lose not how you play the game And the road to darkness has a way Of always knowing my name But I think nobody knows No no Nobody knows no no no no

Baby

Oh the secret's safe with me There's nowhere else in the world that I could ever be And baby don't it feel like I'm all alone Who's gonna be there after the last angel has flown And I've lost my way back home And oh no no no no Nobody knows No no no no no

Tomorrow I'll be there my friend I'll wake up and start all over again When everybody else is gone No no no

Nobody knows Nobody knows the rhythem of my heart The way I do when I'm lying in the dark And the world is asleep I think nobody knows Nobody knows Nobody knows but me Me
