

# Pink, True Love (ft. Lily Allen)

Sometimes I hate every single stupid word you say  
Sometimes I wanna slap you in your whole face  
There's no one quite like you  
You push all my buttons down  
I know life would suck without you

At the same time, I wanna hug you  
I wanna wrap my hands around your neck  
You're an asshole but I love you  
And you make me so mad I ask myself  
Why I'm still here or where could I go  
You're the only love I've ever known  
But I hate you  
I really hate you, so much  
I think it must be

True love true love  
It must be true love  
Nothing else can break my heart like true love  
True love, it must be true love  
No one else can break my heart like you

Just once tried to wrap your little grain around my feelings  
Just once please try not to be so mean  
Repeat after me now r-o-m-a-n-tic  
Come on I'll say it slowly  
You can do it babe

At the same time, I wanna hug you  
I wanna wrap my hands around your neck  
You're an asshole but I love you  
And you make me so mad I ask myself  
Why I'm still here, or where could I go  
You're the only love I've ever known  
But I hate you  
I really hate you, so much  
I think it must be

True love true love  
It must be true love  
Nothing else can break my heart like true love  
True love, it must be true love  
No one else can break my heart like you

Why do you walk me off the wrong way  
Why do you say the things that you say  
Sometimes I wonder how we ever came to be  
But without you I'm incomplete

I think it must true love true love  
It must be true love  
Nothing else can break my heart like true love  
True love, it must be true love  
No one else can break my heart like you, like you  
No one else can break my heart like you
