Pinkeye, Curry Flavoured Pringles

V didn't know what i was eating took the tube in by my hand i grabbed the first chip that i felt what the f**k is there to understand

C the top is made of plastic the bottom made of steel the tube is like cardboard i can't believe it's real zeeee zeeee cheesey beans zeee

x2

V beer is the wonder that completes the fine chip we drink lots of it and then it makes us sick

C the top is made of plastic the bottom made of steel the tube is like cardboard i can't believe it's real

x2

there's such a list of flavours you couldn't list them all they may ba a little dafter but that 's just moranic laughter

go see 'em x3

yeah, yeah
