

# Piotr Salata, How Wonderful You Are | Finał | The

I go out most nights  
Attracted by the lights  
Listen to the jazz in Harry's Bar  
And I know it won't be long  
Before they play that song  
Do you know how wonderful you are  
It's a sentimental sound  
Make me wanna fool around  
With somebody who is wishing on a star  
I'll pull my hat down low  
Go up and say hello  
Do you know how wonderful you are  
Oh we struggle with the art of conversation  
And there'll be those for whom this song has no appeal  
But I know it works for me  
And I'm sure you will agree  
That it illustrates exactly how I feel  
Things can happen fast  
Some things are built to last  
I've seen it all go down in Harry's Bar  
Though we've only just begun  
This sure will run and run  
Do you know how wonderful you are  
I've always struggled with the art of conversation  
And there'll be those for whom this song has no appeal  
But I know it works for me  
And I'm sure you will agree  
That it illustrates exactly how I feel  
Things can happen fast  
Some things are built to last  
I've seen it all go down in Harry's Bar  
Though we've only just begun  
This sure will run and run  
Do you know how wonderful you are  
Do you know how wonderful you are  
Do you know how wonderful you are
