

# Pissing Razors, Forever

Stop and take a look  
Stop and Reminisce  
About the time we both went thru  
into the never

Never Again  
the love lost  
Respect desired

The time comes  
to hurt yourself  
to hurt one another  
until the end

All for the better  
As you fear the worst  
So you go into  
the never this time

it may be forever  
the love lost  
Maybe forever
