

# Pit Bull, Hurry Up And Wait

He's back  
To rip on this track, I'll rip any broad  
I don't care, white or black  
He's back  
If Pit's on da job, then there's no need to worry  
Dawg just hurry  
Up and wait, cuz I ain't going no where anytime soon  
See what these rappers wanna be  
That's me, times 2

Now  
Get ready for me to take over this game  
I'm cutting da flow, like I'm cutting da cane  
Things will never be da same

Pause  
There's a lick for 50 bricks  
Now pause  
And think about it  
Then pause  
Is it really worth it  
Then pause, pause  
Fuck yeah!

I'm ready to go, jump in da ride  
Get da mask, get da gloves  
Cut off da lights, pop da gat  
Run inside, fire'em up or tie'em up  
But don't forget to pick up da prize  
And upgrade the wind-up  
If they don't give up da pies

Now, I would hate to have to calm these boys down  
Cuz to be honest I can't, so pal  
Why don't you just give us da keys and pounds  
Now guess what he said

Ya'll want my spot? Hurry up and wait  
Ya'll want me to stop? Hurry up and wait  
Ya'll want me shot? Hurry up and wait  
Ya'll hurry up and wait! Ya'll hurry up and wait  
-(X2)-

I've been brought up,  
By street cats who didn't get caught up  
Like that new "Jack Nino Brown" at da Carter  
I'm the new Tony Montana, only I'm just a  
Little bit smarter!

Ballers, be careful cuz those bullets that make ya'll hott  
Call us, just to let us know where ya'll at and what ya'll got  
All us, know how to take care of business  
Know how to take care of snitches  
Know how to take care of bitches  
Know how to bag it up in ditches  
Man, we're here to collect like Uncle Sam  
And we don't give a fuck, we don't give a damn  
But ya'll don't want non, ya'll don't want non, no, no, no, no...BANG!  
We ain't playin' around, when we come through we tearin' it down  
When we come through we layin' 'em down  
When we come through we sprayin' 'em out  
You know you gotta put that "K" in his mouth  
Get it later wear it out  
Who ever put you onto the lick pay 'em out or pray 'em out

Now, I would hate to have to calm these boys down

Cuz to be honest I can't, so pal  
Why don't you just give us da keys and pounds  
Now guess what he said

Ya'll want my spot? Hurry up and wait  
Ya'll want me to stop? Hurry up and wait  
Ya'll want me shot? Hurry up and wait  
Ya'll hurry up and wait! Ya'll hurry up and wait  
-(X4)-
