{Verse:}

I got road dogs doin that 20-to-life,
You try me, and ima get 20 tonight.
You think your bitch bad, man i got 20 alike,
Not the car but you know i be pushin the white.
Dippin chevy in syrup,
Digital dash,
No bank accounts,
My money in bags.
Go do the physics,
Cause when i whip it,
And i love to whip it,
That's just another digit.
This my city, in my city ya gotta tote fire.
Over town, they'll bust ya head 'cause it won't slide.
Brown sub'll wet ya ass like a dope ride.
You're dead wrong for thinkin them chicanos won't ride.
Opa Locka revolve around that big 4-5.
Them lil haitians they take ya ass for a boat ride.,
In carol city, niggas quick to blow the plane wit it,
Unpack the sack and kill the game wit it! (ROSS!)
