Chhyeah  
Looking for a freak (x5)

To my bedroom  
All day and all of the night.

If you left your man at home  
GET-GET-GET-GET-GET FREAKY  
If that's two shots of patrone  
GET-GET-GET-GET-GET FREAKY  
If you got your favorite thong on

GET-GET-GET-GET-GET FREAKY

(Pitbull)  
Thank god that the world has so many freaks  
That know how to ride out  
And if they got a man on the low  
Then best believe they know how to hide out  
Everybody wants a freak to freak with  
Pitbull's the latin that urges the freakness  
Dale loca y abre la voca  
You know what to do  
There aint no rules in the freak game  
And if you like your hair pulled  
And your ass slapped when they hit it  
From the back it better be known  
All my mamas think they are to good to  
Get freaky  
y'all better be gone but see  
its the latest thing  
y'all got play-n-skillz  
its the latest thing from pitbull  
from the bottom with them boys  
play-n-skillz encouraging all the freaks  
to get out and get get get freaky

(Play)

You don't give a damn that your man still  
In love with you  
You'll be thinking about me when  
He's f\*\*king you  
I got plans if it lands at the BBQ  
So just loose your man  
So we can rondevou  
Come on little mama let me see what you got

Turn around baby and let me hit the spot  
And i'm gonna lick the spot  
But i'm gonna make it hot  
Go on and take it off  
Because you might sweat a lot  
All i need is just a couple of minutes  
But you aint gonna trip that i'm already finished  
Yes i'm ready to get all up in it  
Hit it real steady til i'm almost in it  
Hit it from the back so bad you can feel it in the middle  
Bring it back and make it clap  
Might slap a little  
We can do it one on one a little privacy  
But its gotta be my way, promise me  
Face down ass up that's the way i like to f\*\*k  
We dont need room we can take it to the truck  
I guarantee sweet dreams if you f\*\*k with me  
Leave your man, come with me, so we can:
