

Pitbull, Tequila x Vikina

(Tequila)
Mr. Worldwide
Play-N-Skillz
Now tequila's not always the answer
But it's worth a shot
EEEEEEYOOOOOO

(Tequila)
I want tequila
Little time with you
A little salt
And a lime will do
Hey bar man
Would you bring us two?
I want tequila
Little time with you
I want tequila
Little time with you
A little salt
And a lime will do
Hey bar man
Would you bring us two?
I want tequila
Little time with you
EEEEEEYOOOOOO

Mamacita
Eeya eeya
I see you with them
Daisy Dukes on
I see you with your shirt tied up
Cowboy hat
And them sexy boots on
I see you at the bar alone
With that pretty little sexy smile
Innocent face
But I can tell
That you love to get wild
Let's ride

Yo no quiero agua
Yo quiero tequila
One shot
Yo no quiero agua
Yo quiero tequila
Two shots
Yo no quiero agua
Yo quiero tequila
Three shots
Yo no quiero agua
Yo quiero tequila

(Tequila)
I want tequila
Little time with you
A little salt
And a lime will do
Hey bar man
Would you bring us two?
I want tequila
Little time with you
I want tequila
Little time with you
A little salt

And a lime will do
Hey bar man
Would you bring us two?
I want tequila
Little time with you

Yo no quiero agua
Yo quiero tequila
One shot
Yo no quiero agua
Yo quiero tequila
Two shots
Yo no quiero agua
Yo quiero tequila
Three shots
Yo no quiero agua
Yo quiero tequila
