

Pitbull, Thank God & Jimmy Buffett

You know
Jimmy Buffett says it best
When you lose yourself
Is when you find the key to paradise
Rest in paradise buddy
While we celebrate your life
Now let's party

Thank God and Jimmy Buffett
I rolled the dice and said fuck it
I chucked it all in the bucket
Thank God and Jimmy Buffett
Thank God and Jimmy Buffett
EEEEEEYOOOOO

I'm always all here
But I'm not
Always all there
Someone
Pour me a shot
It's 5 o'clock somewhere
I said hey good lookin'
What you got cookin'
With all that big ol booty
Must be a Mexican cutie
I met Jim in Key Largo
Then we got high in LA
We both
Played Jazz Fest
We both
Danced on Broadway
I'm talkin bout
Both bare feet
Sayin
Ain't life sweet
And all the parrot heads know
That you're one son of a beach

Feelin like I'm
Walkin on sticks
Margaritaville
Feelin like
A drink on chill
Margaritaville
She got nothing on
But some heels
Margaritaville
Thank God
Thank God
Thank God
Thank God and Jimmy Buffett
I rolled the dice and said fuck it
I chucked it all in the bucket
Thank God and Jimmy Buffett
Thank God and Jimmy Buffett
Everybody Say

Yayayeah
Yayayeah
Yayayeah
EEEEEEYOOOOO

Now everybody
Everybody put your fins up

To the left
Now everybody
Everybody put your fins up
To the right
Now everybody
Everybody put your fins up
To the sky
Now say
Now say

Thank God and Jimmy Buffett
I rolled the dice and said fuck it
I chucked it all in the bucket
Thank God and Jimmy Buffett
Thank God and Jimmy Buffett
Everybody Say

Yayayeah
Yayayeah
Yayayeah
Thank God and Jimmy Buffett
