

Pitchshifter, Brutal Cancroid

Victim (culture)

Targets (counter culture)

I've tried, I've failed; can't make your leap of faith

It's been all revealed

So don't lie to me because I can do it better

Don't tell me everything is 'gonna be ok'

Because it's blood, and it's sweat, saliva

Sucker (punch)

Bastards (last front)

So don't lie to me because I can do it better

Don't tell me everything is going to be ok

Because it's blood, and it's sweat, saliva

(Don't lie to me because I can do it better)

Don't tell me everything is 'gonna be ok'

Because it's blood, and it's sweat, saliva
