

# Pitchshifter, Chump Change

Don't wanna be the boy, the denizen, the chump change.  
I don't wanna be the next step.  
Don't wanna be the toy, the jettison, the chump change.  
I don't wanna be the first up.  
Cause we spent the last drop.

Who decides if it's alright?  
(who decides?)  
I SAID, who decides if it's alright?

Can't touch me, completely, reduction so easy.

Don't wanna be the son, the citizen, the chump change.  
I don't wanna be the next step  
Don't wanna be the same, the medicine, the chump change  
I don't wanna be the first up.  
Cause we spent the last drop.

Who decides if it's alright?  
(who decides?)  
I SAID, who decides if it's alright?

Can't touch me, completely, reduction so easy.  
You can't touch me, not completely, your reduction is so easy.

I wanna tell you this, I wanna make you dive  
I wanna be the big fish, I wanna see you fry. (2x)  
Yeah see you fry.

Chump change.  
And I spent the last drop.  
Chump change.

Who decides if it's alright?  
(who decides?)  
I SAID, who decides if it's alright?

Can't touch me, completely, reduction so easy.  
You can't touch me, not completely, your reduction is so easy.
