

Pitchshifter, Un-United Kingdom

V1:

Rule Britannia?

The bitch's scammed ya

No smiling Union jacks

My friends I want my money back.

But what about the system?

I think no-one would miss them

Brain-dead corpses in the House of Lords

We could all learn a thing or two from Guy Fawkes

CHR:

Cos this is not the united kingdom

no this is not the united kingdom

this is not the united kingdom

This is not the UK.

V2:

Rule Britannia?

What's she ever done for me?

Stuck a nail in the coffin of My national pride

And made the tourists hate me

This Green and Emerald Isle?

800 miles of bile

High rise, car parks, ash tray dirt?

We could still learn a thing or two from Guy Fawkes

CHR:

Breakdown:

Rule Britannia

'Cos England never never will be saved (HA HA)

V3:

Rule Britannia?

Our first national scam.

Watches starving children on her TV screen

While she's shackled up with her Uncle Sam.
