mal-adjusted freaks
chorus-god awful waste-of-space(space)
dumb degenerate low-life(low-life)
mal-adjusted freaks(freaks)
mal-adjusted freaks(freaks)
now I want just one day
for things to go my way
low-life de-generation
generation (10x)
got to know your place,
dumb degenerate low-life,
failure of the week.
failure of the week
-chorus
now I want just one day
for things to go my way
low-life de-generation
generation(10x)
if what you see is what you get then
we have nothing to regret
from all the things I've seen.
the things I've seen.
and when there's nothing to regret our stupid lives
we'll be better yet
at least we'll all come clean.
we'll all come clean
-chorus
now I want just one day
for things to go my way
its not this stupid world
its not this stupid world
now I want just one day
for things to go my way
