

# Pixel Perfect, Get Real (Movie Version)

People Say You Gotta Be Fake To Make It To The Top,  
(To The Top),  
That We're Never Gonna Have What It Takes  
So We Might As Well Stop, But We're Not,  
'Cause I Know, You Know, I Know That If We Plan On Maybe,  
Come On, Come On, Come On, Come On, Come On,

(Get Real),  
We Want To Really Feel The Feeling,  
And We Won't Ever Hit The Ceiling,  
Now We Get To Do The Doing,  
So Either Get Up, Get On, Get Over It, Or Get Out Of Our Way,  
It's Time To Get Real!
