

# Pixies, Lovely Day

At the station  
At the border  
An egression  
To the exterior law and order  
Upward plantation  
I remember your red dress  
Like a field full o' poppy  
You were making me dreamy  
Stunned by a love  
Got to do what your head says  
Could not let it stop me  
They got one leaving today  
And it's going away  
Got my feet in the stirrup  
It can be kind of banal  
But I dream of your red dress  
Riding down these dry canals  
Oh baby it's not Europe  
But I'm sending you money  
I'm sending you lots of money  
So you can buy a ticket  
You will be my martian  
Honey  
All the day  
They got one leaving today  
And it's going away.
