

# Pixies, Mr. Grieves

Hope everything is alright  
Hope everything is alright

What's that floating in the water  
Old Neptune's only daughter  
I believe  
In Mr. Grieves

Pray for a man in the middle  
One that talks like Doolittle  
I believe  
In Mr. Grieves

Do you have another opinion  
Do you have another opinion

La la la la la la la la  
La la la la la la la la

Got bombed, got frozen  
Got finally off to a finally dozing  
I believe  
In Mr. Grieves

Do you have another opinion  
Opinion  
Do you have another opinion  
Do you have another opinion  
You can cry, you can mope  
But can you swing from a good rope  
Oh I believe  
In Mr. Grieves

Hope everything is alright  
Hope everything is alright
