Ooh, you can't
Ever satisfy me
No way

Mm, tonight I wanna
Dance till morning

Till I drop

In my frill shirt
And mini dress
In the spotlight
Everything's alright

This can't be love
It's just a game, baby
C'mon, there's one more
Dance till midnight

Go go dancer
Go go dancer

Mm, the whole world won't
Ever satisfy me
No way

Mm, tonight I wanna
Dance till morning
Till I drop

In my flared pants
And blue afro wig
In the spotlight
Everything's alright

You're not my lover
You're just a friend, baby
C'mon, there's one more
Dance till heaven

Go go dancer
Go go dancer

This can't be love
It's just a game, baby
C'mon, there's one more
Dance till midnight

You're not my lover
You're just a friend, baby
C'mon, there's one more
Dance till heaven
