Shopping shopping king!  
Shopping shopping king!  
Let's meet at the store of dreams  
Let's shop shrewdly  
Let's answer frankly

Shopping shopping king!  
Shopping shopping king!  
It's a dream to grab everything  
Let's shop shrewdly  
Let's answer frankly

Things you want, things bought fast  
Expensive things, today's things  
All the things you'll ever want

Shopping shopping king!  
Shopping shopping king!  
Let's meet at the store of dreams  
Let's shop shrewdly  
Let's answer frankly
