-----  
Our eyes met  
Someone I don't know  
But it's strange  
My heart beats fast

I said hello  
To strike a conversation  
Our eyes met  
I smiled  
(and blushed)

Our eyes met  
Someone I don't know  
But it's strange  
I fell in love

It's this way with everybody  
When you meet mr right  
You know it right away  
Our eyes met  
My heart beats fast  
I fall in love

Gathered all my courage  
Struck a conversation  
That's my chance now  
Struck a conversation

Our eyes met  
I blushed  
And couldn't  
See anything

Boys and  
Girls  
Will meet today  
When I become a grown-up  
I'm sure I'll meet  
Someone really nice

Our eyes met  
We fell in love  
Just whistling  
And breathing

Boys and  
Girls  
Will fall in love today  
When I grow up  
We will surely  
Fall in love

Our eyes met  
A nice guy

Our hearts beat fast  
What I've been looking for

Gathered all my courage  
Struck a conversation

We fell in love

It's this way with everybody  
When you meet mr right  
You know it right away  
Our eyes met  
My heart beats fast  
I fall in love
