Always
When the phone rings
I get nervous
In no time it will be dark

I'm sure
It's someone asking me on a date
I'll have to get dressed
In front of the mirror

But
You know i'm
Too thin
And no beauty

On top of that
Today I can't seem to find
My new
White coat

A girl like
Me has plenty
To worry about
You know
It's not like you could say
That in my case
Everything is perfect

Let's find a cab
And go somewhere

Let's invite someone
And go have fun

My boyfriend
Is always
Very kind
He can dance well too

But
He's indecisive
And this sometimes
Gets on my nerves

A girl like
Me has plenty
To worry about
You know
It's not like you could say
That in my case
Everything is perfect

Let's find a cab
And go somewhere

Let's call everybody
And go dancing

Let's find a cab
And go somewhere

Beep beep beep beep yeh!

Together all night
Let's have fun
