

PJ Harvey, A Place Called Home

One day
I know
We'll find
A place of hope
Just hold on to me
Just hold on to me
Walk tight
One line
You're wanted
This time
There's no-one to blame
Just hold on to me

And I'm right on time
And the birds keep singing
And you're right on line
And the bells keep ringing } come on my love
And the battle is won
And the planes keep winging
And I'm right on time
And the girl keeps singing

I walk
I wade
Through full lands
And lonely
I stumble
I stumble
With you
I wait
To be born
Again
With love comes the day
Just hold on to me

Now is the time to follow through, to read the signs
Now the message is sent, let's bring it to its final end
