

# PJ Harvey, A Place Called Home

One day I know  
We'll find a place of hope  
Just hold on to me  
Just hold on to me  
Walk tight, one line  
You're wanted this time  
There's no one to blame  
Just hold on to me  
(Come on my love)  
And I'm right on time  
And the birds keep singing  
And you're right on line  
And the bells keep ringing  
And the battle is won  
And the planes keep winging  
And I'm right on time  
And the girl keeps singing  
One day they'll be a place for us  
I walk and I wade  
Through full lands and lonely  
I stumble, I stumble  
With you I wait  
To be born again  
With love comes the day  
Just hold on to me  
(Come on my love)  
And I'm right on time  
And the birds keep singing  
And you're right on line  
And the bells keep ringing  
One day they'll be a place for us  
And the battle is won  
And the planes keep winging  
And I'm right on time  
And the girl keeps singing  
One day they'll be a place for us  
Now is the time  
To follow through  
To read the signs  
Now the message sent  
Let's bring it to it's final end  
And I'm right on time  
And the birds keep singing  
And you're right on line  
And the bells keep ringing  
One day they'll be a place for us  
And the battle is won  
And the planes keep winging  
And I'm right on time  
And the girl keeps singing  
One day they'll be a place for us  
One day  
I  
Know  
They'll be  
A place  
Called  
Home
