

PJ Harvey, C'mon Billy

C'mon Billy
Come to me
You know I'm waiting
I love you endlessly
C'mon Billy
You're the only one
Don't you think it's time now
You met your only son
I remember
Lover's play
The corn was golden
We lay in it for days
I remember
The things you said
My little Billy
Come to your lover's bed
Come home
Is my plea
Your home now is
Here with me
Come home
To your son
Tomorrow might never come
C'mon Billy
You look good to me
How many nights now
Your child inside of..
Don't forget me
I had you son
Damn thing went crazy
But I swear you're the only one
Come alone, Billy, come to me
Come alone, Billy, come to me
Come alone, Billy, come to me
Come alone, Billy, come to me
Come alone, Billy, come to me
Come alone, and come to me
