

# PJ Harvey, Eyepennies

I will return here one day  
And dig up my bones from the clay  
I buried nails and strings and hair  
And that old tooth I believe was a bear's

I held my hand in the fire  
It burned me down to the wires

Blood suckers hide beneath my bed  
And black fumes of skin so gently bled  
I slept with a cat on my breast  
Slowing my heart stealing my breath

At sunrise the monkeys will fly  
And leave me with pennies in my eyes

I will return here one day  
And dig up my bones from the clay  
I buried nails and string and hair  
And that old tooth I believe was a bear's

At sunrise the monkeys will fly  
And leave me with pennies in my eyes
