

PJ Harvey, Love Too Soon

I have loved
In my life
As a child
I often cried

And love too soon
Can fade away
Love too soon
Can fail away

In the sun
Light of day
I can see
Your face change

And love too soon
Faze away
Love too soon
Can fail away

And this dreadful crime to see
Breaks my heart
Into pieces

Love too soon
Can fade away
Love too soon
Can fail away

How false the heart
How false the day
When you swore your love
The branches now decay

Love too soon
I'm faze away
Love too soon
I'm faze away
