PJ Harvey, Man-size

I'm coming up man-sized
Skinned alive
I want to fit
I've got to get
Man-sized
I'm heading on
Handsome
Got my leather boots on
Got my girl and she's a w

Got my leather boots on Got my girl and she's a wow I cast my iron knickers down

Man-sized no need to shout

Can you hear, can you hear me now?

I'm man-sized Man-sized

I'll measure time I'll measure height

I'll calculate
My birthrite

Good Lord I'm big I'm heading on

Man-size

Got my leather boots on Got my girl and she's a wow I cast my iron knickers down Man-sized no need to shout Can you hear, can you hear me now?

My babe looking cool and neat I'm pretty sure good enough to eat

Man-size no need to shout Let it all, let it all hang out

I'm man-size Man-size [X7]

Silence my lady head Get girl out of my head Douse hair with gasoline Set it light and set it free Silence my lady head Get girl out of my head Douse hair with gasoline Set it light and set it free
