

# PJ Harvey, Reeling

I wanna bathe in milk  
Eat grapes  
Robert deniro sit on my face.  
I can't sleep for thinking  
Send my head a reeling  
I wanna go to spain  
Spend nights  
Just sipping on nectar and ice  
I can't sleep for thinking  
Send my head a reeling  
Can't make it out... (??)  
Eliminate the whole race  
Wanna make the shit hit the fan  
I can't sleep for thinking  
Send my head a reeling  
Even aphrodite  
She's got nothing on me  
Take me to the moon X2  
Fly me to the moon  
Take me to the moon X3  
Fly me to the moon  
Take me to the moon  
Dye my hair on stage  
Call on my man, romeo  
Come and climb our braids  
Reeling  
Reeling  
Even Aphrodite  
She'll have nothing on me  
Reeling  
Reeling  
Take me to the moon X2  
Fly me to the moon  
Take me to the moon X3  
Fly me to the moon  
Take me to the moon  
Reeling X4 ...
