PJ Harvey, Teclo

Long goes the night Longer the day Teclo your death Will send me to my grave I learned to beg I learned to pray Send me his love Send him to me again Let me ride Let me ride Let me ride on his grace for a while Let me ride Let me ride Just let me ride on his grace for a while Long goes the night Longer the day Teclo your death Will send me to my grave Let me ride Let me ride Just let me ride on his grace for a while Let me ride Let me ride Just let me ride on your grace for a while Just let me ride
