

PJ Harvey, This Is Mine

(Stella Does Tricks)

All of this is mine
All of this is mine
Want it like a crime
All of this is mine

The beat
Of a bird
Too fast
For my heart

All of this

All of this is mine
All of this is mine (this is mine)
Want it like a crime (this is mine)
Give these lips of mine (this is mine)

The beat
Of a bird
Too fast
For my heart
Too fast
For my heart

This is mine
