

PJ Harvey, To Talk to You

Oh grandmother
How I miss you
Under the earth
Wish I was with you
To talk to you
To talk to you
I found somebody
Tried to give myself to
Many times
I wanted to talk to you
If I lay on the earth
Could you hear
Oh grandmother
I'm so lonely
All my life
If I lay on the earth
Could you hear then
If I lay...
Mary...
