

Placebo, Black-Eyed

I was never faithful
And I was never one to trust
Borderlining schizo
And guaranteed to cause a fuss
I was never loyal
Except to my own pleasure zone
I'm forever black-eyed
A product of a broken home

I was never faithful
And I was never one to trust
Borderline bipolar
Forever biting on your nuts
I was never grateful
That's why I spend my days alone
I'm forever black-eyed
A product of a broken home (Broken home)
Black-eyed (repeat)

I was never faithful

Borderlining schizo
And guaranteed to cause a fuss
I was never loyal

A product of a broken home (Broken home)
