

# Placebo, Bubblegun

Take this migraine everywhere I go  
Take the fast lane everywhere I go  
Take this migraine everywhere I go  
Someday, gonna take it slow

Take this migraine everywhere I go  
Take the fast lane everywhere I go  
Take this migraine everywhere I go  
Someday, gonna take it slow

I wanna turn you on  
Feels like a loaded gun  
Spit out your Bubblegum  
I wanna...Wanna... [x2]

I wanna turn you on  
Feels like a loaded gun  
Spit out your Bubblegum  
I wanna... I Wanna... [x4]

I wanna, I wanna  
I wanna, I wanna cum
