

Placebo, Happy Birthday In The Sky

Darling, happy birthday
In the sky
In the sky
You were blown away
I don't know why
Why
Now I sit and wait
As days float by
Bye
Darling, happy birthday
In the sky
In the sky

I want my medicine
Give me my medicine
I want my medicine
Give me my medicine
I want my medicine
Give me my medicine

Darling, happy birthday
In the sky
In the sky
Now I fade and fade
As time runs dry
Dry

I want my medicine
Give me my medicine
I want my medicine
Give me my medicine
I want my medicine
Give me my medicine
I want my medicine

I want my medicine
Give me my medicine
I want my medicine
Give me my medicine
I want my medicine
Give me my medicine
Give me my medicine

I'm calling you
I'm calling you

I want
I want
I want
I want

Darling, happy birthday
I want
I want
I want
I want
Darling, happy birthday
I want
I want
I want
I want
Darling, happy birthday
I want
I want

I want
I want
Give me my medicine
