

# Placebo, Plasticine

Beauty lies inside the eye of another youthful dream  
That doesn't sell it's soul for self-esteem  
That's not plasticine  
Beauty lies inside desire and every wayward heart redeemed  
That doesn't sell it's soul for self-esteem  
That's not plasticine

Don't forget to be the way you are [x4]

The only thing you can rely on is that you can't rely on anything  
Don't go and sell your soul for self-esteem  
Don't be plasticine

Don't forget to be the way you are [x4]  
And don't forget to be the way you are [x4]  
The way you are...
