

Plajia, Beating The Charms

Not so long ago I was just a lonely man
Losing faith over things that break
Now I got myself a hell of a deal
Her and me happy and it feels ok, but

One lie, one lost
All this love, undone

Once you go there,
They'll be no fun
Be sure my friend
I'll beat the charms

Donne moi ta main

One lie, one lost
All this love, undone

Prend ton lan
On saute en bas
Dans la confiance
Dans l'insouciance

Donne moi ta main
