

Plajia, Is That The End?

Is, is that the end?
Tell me please
So i can bleed

Falling knives
Going down my soul
My belly jams
One cure for this
Your love
Your love

cause I'm still bleeding
I'm still bleeding
I'm still bleeding
I'm still bleeding
Tell me please
And make it clear

Yes I'm still bleeding
Not believing
But I'm still bleeding
I'm still bleeding
Tell me please
The end is near
