

Plajia, Sleeping

I'm so tired of this life
Tired of this side of me
I could never talk to God
Never talk to us
I'm free, I'm free
Ohhh Ohhh

I'm so tired of this life
Too tired to decide for me
I could never talk to love
I never thought it was
A dream, a dream
Ohhh Ohhh

I'm so tired of this life
Tired of this side of me
I could never talk to God
Never talk to us
I'm free, I'm free
Ohhh Ohhh
