

# Planet Shakers, Here I Am

Something in my heart  
Burning like a fire  
I want to live for You

Need Your touch right now  
Fill me with Your power  
Power to live for You my God

I will not be moved  
I will stand for You

I will go where You send me  
Jesus take me now I am Yours  
I am Yours

Lay my life on the altar  
Everything I give to You alone

Here I am  
Here I am

Here I am send me
