

Planet Shakers, Worship Forevermore

Oh Lord
You have given to me all I need
And I pray
For your will to be done
And I ask
For your spirit to work in my life
And that I can
Be a blessing to you

Holy one
You the light in my darkest day
Showing me
The power of your truth
And I ask
For the touch of your spirit in me
Giving me
The faith to believe

And I will stand here
Lost in your love
And I will worship forevermore
I will stand here
Ever amazed
And I will worship forevermore

Oh Lord
You have given to me all I need
And I pray
For your will to be done
And I ask
For your spirit to work in my life
And that I can
Be a blessing to you

And I will stand here
Lost in your love
And I will worship forevermore
I will stand here
Ever amazed
And I will worship forevermore
