

Planetshakers, All I Want Is You

I've waited all my life to be here face to face
I never knew I could feel this kind of grace
The way You showed me that Your blood has washed me clean
Could never be erased: it lives inside of me

Take me to that secret place
Where I can only see Your Face
And nothing else will ever feel this way
You take away my guilty stains
The things I've done that I can't change
It's only by the Power of Your name

I stand here in this place
See the Glory on Your Face
Taken by the wonder of Your name
I'm desperate for Your touch
Never needed it so much
Cos all I want is You

When all the things around me have fallen to the ground
I'm always thankful for the love in You I've found
